BENEFICIARY'S NAME: DELBERT L ADAMS

Your Social Security benefits are protected against inflation. By law, they increase when there is a rise in the cost of living. The government measures changes in the cost of living through the Department of Labor's Consumer Price Index (CPI). The CPI has not risen since the last cost-of-living adjustment was determined in 2008. As a result, your benefits will not increase in 2011.

Please review the other important information in this mailing. You can use this letter when you need proof of your benefit amount to receive food stamps, rent subsidies, energy assistance, bank loans, or for other business.
